E. G. MILLER HIGH SCHOOL  
ELK POINT, ALBERTA

I Am Education

I bear the torch that enlightens the world...fires the imagination of man...feeds the flame of genius...I give wings to dreams and might to hand and brain.

From out of the shadows of the past, I come wearing the scars of struggle, and the grind of toil...But bearing in triumph the wisdom of all ages.

Man, because of me, holds dominion over earth, air and sea; it is for him I leash the lightning, plumb the deep, and shackle the earth.

I am the parent of progress...creator of culture...molder of destiny...philosophy, art and science are tools in my hand. I banish ignorance...discourage chaos...disarm anarchy.

Thus I have become freedom's citadel...the arm of democracy...the hope of adolescence...the joy of age. Fortunate are the nations and the happy homes that welcome me.

The school is my workshop. Here I stir ambition...stimulate ideas and forge the days that open doors to opportunity. I am the source of inspiration...the aid of aspiration. I am irresistible power...

...I am education.

*Principal's Message - Mr. S. A. Holthe*

DEDICATION

The 1976-77 Yearbook is dedicated to a man who has served our school as principal for eight years. He has worked hard at helping us choose goals and accept limitations as well as keep our school unified. He has labored long and hard to teach us, the students, the value of a good education. This years' yearbook staff would like to thank Mr. Holthe for all the time, patience and knowledge he has passed on to the students of the F. G. Miller High School.

I would like to thank those few students who participated in the past events in the 1976-77 year, and also I would like to give a bit of advice to those students who will form the executive of 1977-78. When you are confronted with a problem, be open-minded to all alternatives and escapes. Do not be narrow-minded when making a decision; it never hurt anyone to give in although there are few that will admit it. Lastly, don't let your friends make your decisions for you--stand up for what you believe in. That's the purpose for any organization; if it wasn't, we would not need one.

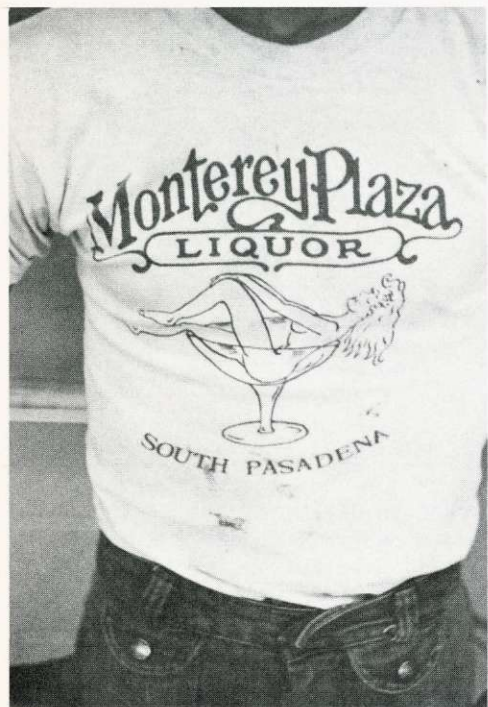

Thank-you,

## Room Reps.

# Editors' message

We the editors, Cindy Mudryk and Sandra Babcock, hope you have enjoyed our account of the past year. It took many long hard hours and late nights to produce this book, but we feel it was well worth it and we hope you do too.

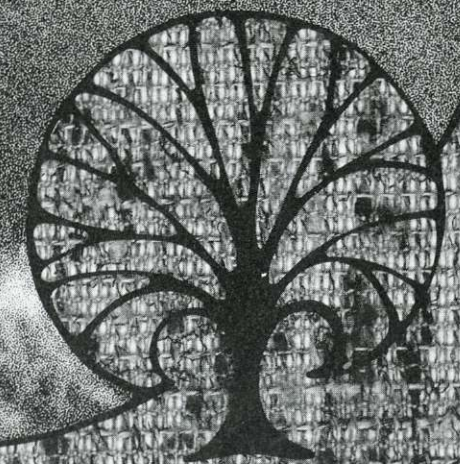

It is hard to visualize, but in a few years we will look back on this book and remember all the good times we had in school and the crazy things we did. It's amazing how a few pictures can bring back such memories.

We would like to express our appreciation to our photographer, Marty Lybbert, and our co-editors Debbie Gozgolko and Audrey Holliday, and our advisor Lawrence Pidluzny, for without their help, this book couldn't possibly be what it is.

Sincerely yours,  
*Sandra Babcock*
