Clayton Elden Philip Orr

February 11, 1976 - November 30, 1986

Clayton Elden Philip Orr was born February 11, 1976 in the St. Theresa Hospital in St. Paul. Within the 10 short years he was with us, he made quite an impression. Even though he didn't like going to school, he managed to always have top marks and get along with both teachers and students. His greatest love was animals, but he had other interests which varied from baseball, swimming, Ukrainian Dancing, and 4-H. Clayton's biggest dream was to become Prime Minister.

Clayton is lovingly remembered by his family Jim and Millie Orr and brother Jeff, as well as all the teachers, staff, and students of the F. G. Miller High School.

This, the 32nd edition of the Wapiti is dedicated to the memory of Clayton Orr who would have participated in the Class of '94 ceremonies.

Principal's Letter

The students of F. G. Miller are very proud of their yearbook. Each year the Wapiti creates excitement in the hallways and classrooms when it arrives in October. The Wapiti staff and their advisor, Ms. Denise Amyotte, must be congratulated on their fine work to produce such an interesting book.

Today's F. G. Miller students are highly talented and motivated to succeed and enjoy life. When today's students become tomorrow's citizens, I trust that they will look back through their Wapitis, and remember those happy and sad experiences that were part of their youth.

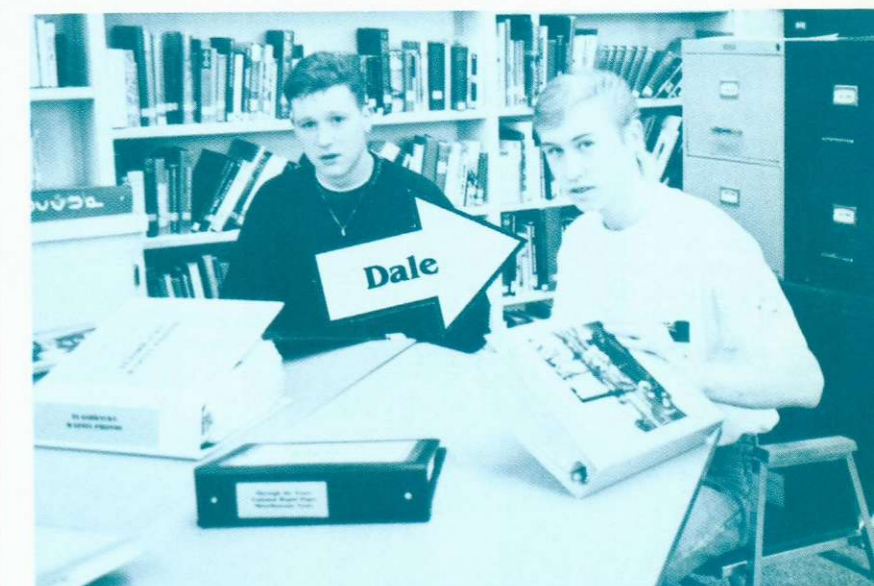

Mr. Jim Hawkins, Principal

Senior High Students' Union President's Letter

The senior high Students' Union's main objective for the 93-94 school year was to try to boost the students' school spirit. This goal was sought after by planning many new and unique events such as our very first F. G. Miller student snowmobile rally, numerous pep rallies and other activity days. This year the students' union donated \$400 toward the library to update the printer and to network its computer to the computer lab.

Thanks to the cooperation of the staff and students, the 93-94 school year has been a very memorable year for all. I would also like to thank everyone for giving me the opportunity to become president of the students' union. I feel it was a very beneficial and rewarding experience.

Dale Pinder

Junior High Students' Union President's Letter

Well, it's been a good year, and I have had a fun time being junior high president. I hope I have satisfied all your school needs.

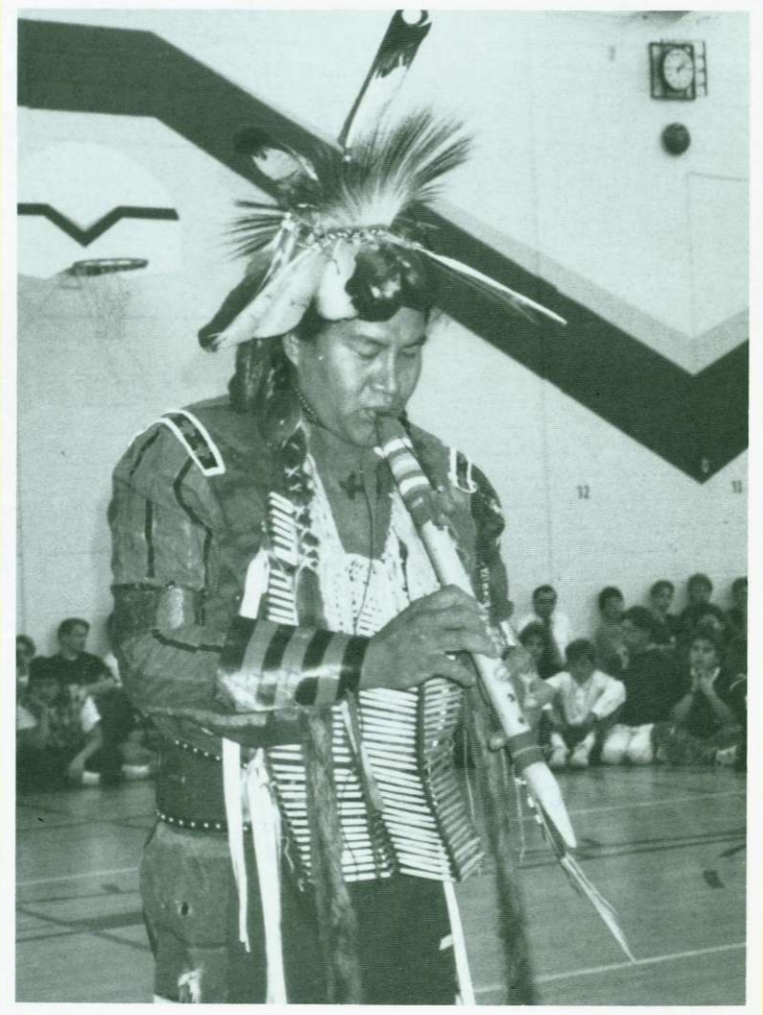

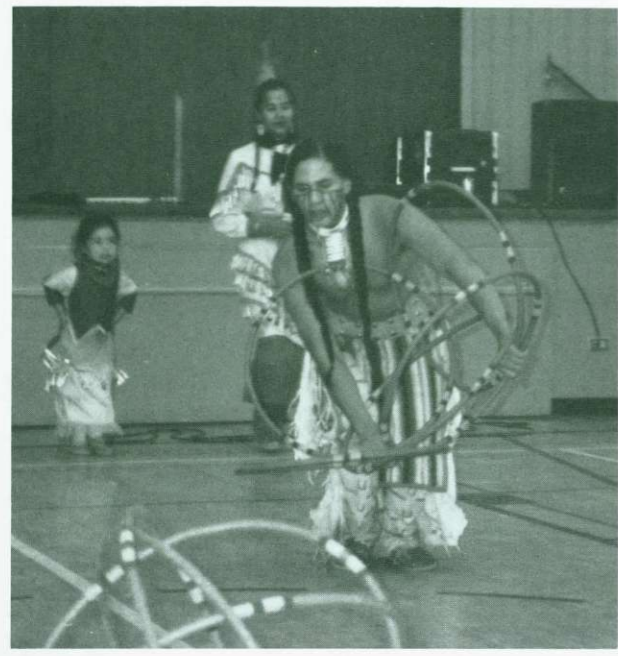

Remember, it's not what you know it's who you know! So if you want this position, you must party with the best of them. Hope you had a good year and don't forget to party!

F. G. MILLER STORMED!

Special Event Red Thunder Dance Troupe September 16, 1993

Through special funding, Mrs. Youngchief made it possible for Red Thunder, the only professional native dance troupe in Canada, to storm our gym on September 16, 1993. Lee Crowchild led the group with a running narration on costumes, dance, language, culture, and legend.

Everyone participated in the round dance in which the entire gym floor was writhing with intertwining circles of students, teachers, and dancers. The most popular of the traditional dances was the Hoop Dance because of its speed and intricate moves. The native students presented parting gifts of Creations rugs to the dancers at the end of their performance.

On November 18, 1993 the Inner City Theatre Group performed a dramatic, real-life play here at F. G. Miller. They acted out real-life family problems concerning drugs, alcohol and abuse. The music was original and the acting was dramatic (most was taken from the actors real situations). A question period offered an opportunity to ask any questions on the topic of family violence and the actors personal stories. Because the performers were inner city teenagers and not professional actors, question period was difficult. The goal of the group was, however, to try to help others understand the plight of those less fortunate people of the inner city. The presentation was sponsored by the County FCSS in conjunction with Family Violence Week.

New Banner Unveiled!

November 18, 1993

Color Night was anything but black and white. Wearing maroon and gold, students, staff, and parents gathered to salute the school's volleyball, cross country and golf teams, as well as to wish the upcoming basketball teams good luck. The night was filled with music from the Crusader Bands and, even with part of their group gone on a volleyball road trip, they gave an excellent performance.

The highlight of the evening was the unveiling of the school's new banner. It was designed by Joni Matthews at the beginning of the year in response to a contest sponsored by the Spirit Committee. To end the evening, a draw was made for a maroon and white volleyball which was won by Lisa Hallwachs.

Sports Highlights

GOLF Coached by David Hellquist and managed by Mr. Hawkins, our golf team (middle left) had an exceptional season. Both teams attended Zones, and although the boys came extremely close, it was the girls that brought home the N. E. Zone Champions banner. They later attended the Provincials and gave us a third place standing.

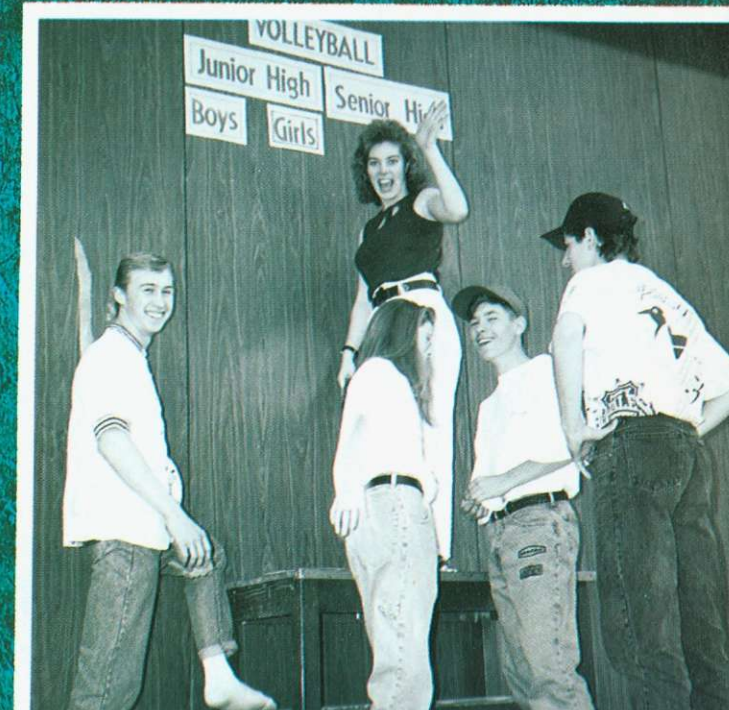

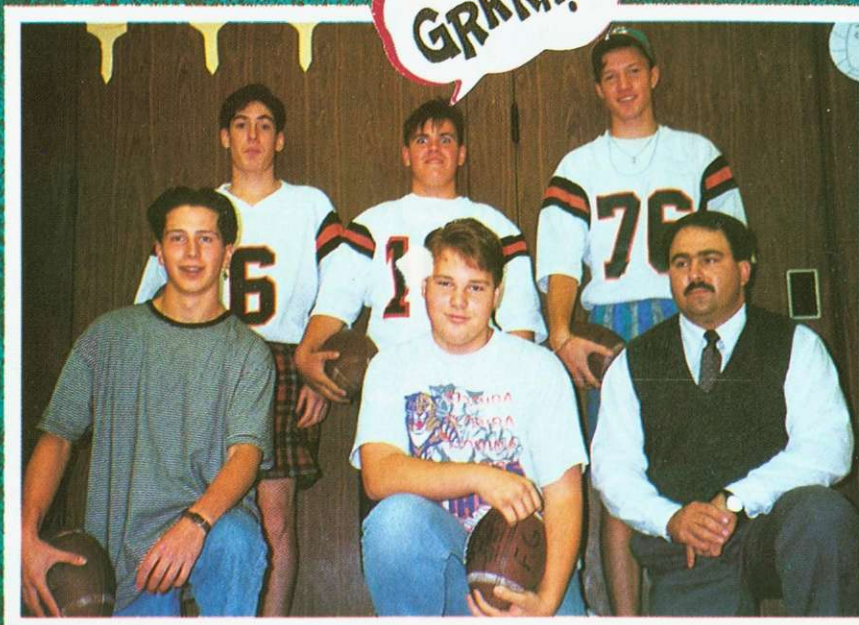

FOOTBALL Five of our students and Asst. Coach Mr. Krys (bottom left) represented our school on the St. Paul Lions Football Team. Mr. Bischoff (Head Coach) reports that the team did a super job this year bringing home 2 wins, 1 tie, and 4 loses (a great improvement over previous years). He encourages more of our students to play next year, and said that our boys have done a great job. The season ended with an awards banquet at which Edmonton Wildcats head coach, Jim Tankevich, was guest speaker.

VOLLEYBALL The highlights for the volleyball season are featured on another page, but the teams were also recognized at the pep rally.

CROSS COUNTRY The Crusaders cross country team consisted of 57 students who represented F. G. Miller at the County Finals held just outside of Vilna this year. All those who participated finished the race and those featured in the photo (bottom center) are students who placed either 1st, 2nd, or 3rd. Coach Ms. Huber said everyone had a great day and was very pleased with our final results.

On October 1, 1993, the gym was a buzz with excitement. Our first pep rally of the year was filled with noise and waving Crusader flags. The stage was decorated with volleyballs, golf balls, footballs and names of team members. Prizes of t-shirts were presented to Joni Matthews (banner designer) and Travis Hymanyk (flag artist) in conjunction with a contest sponsored by the Spirit Committee. Songs were sung and school teams were presented to the student body. Mrs. Lindquist introduced the student executive and Ms. Amyotte introduced the yearbook staff. The event was also covered by the local paper. One of the highlights was when the student executive even formed a human pyramid to bolster school spirit and start the year off with a bang (or rather a crash!)

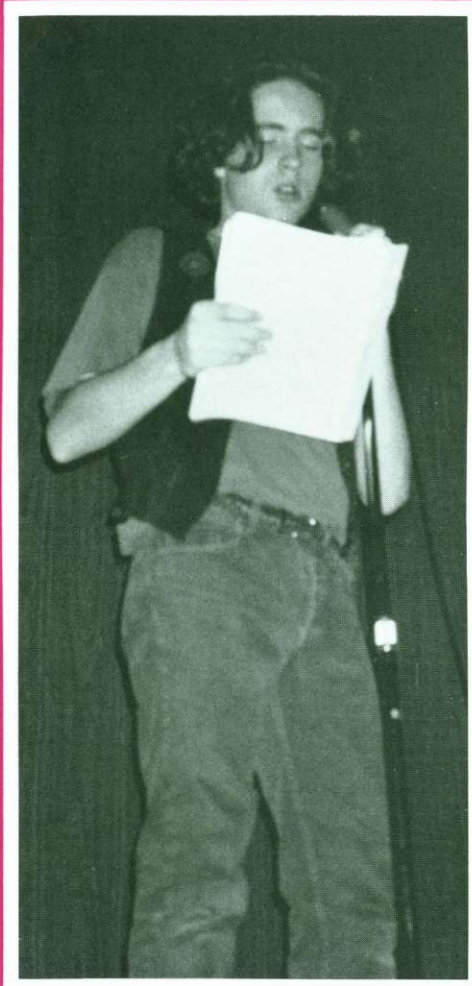

REMEMBRANCE DAY

Grade 11 Presentation

Students Remember War Vets!

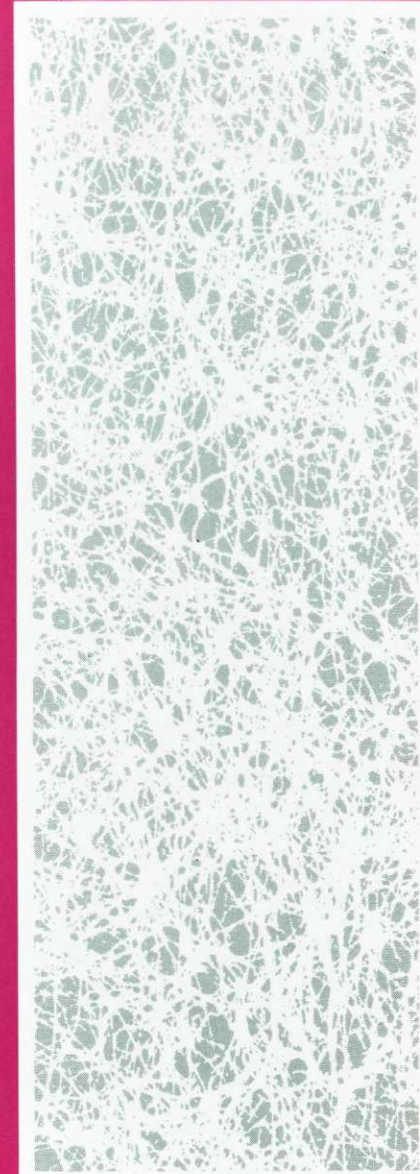

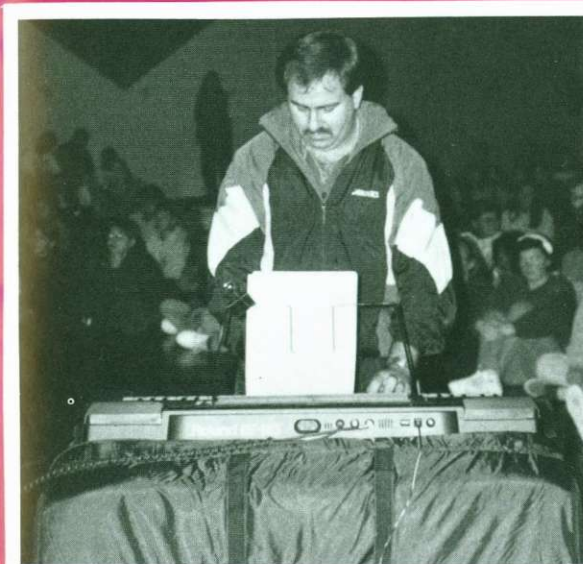

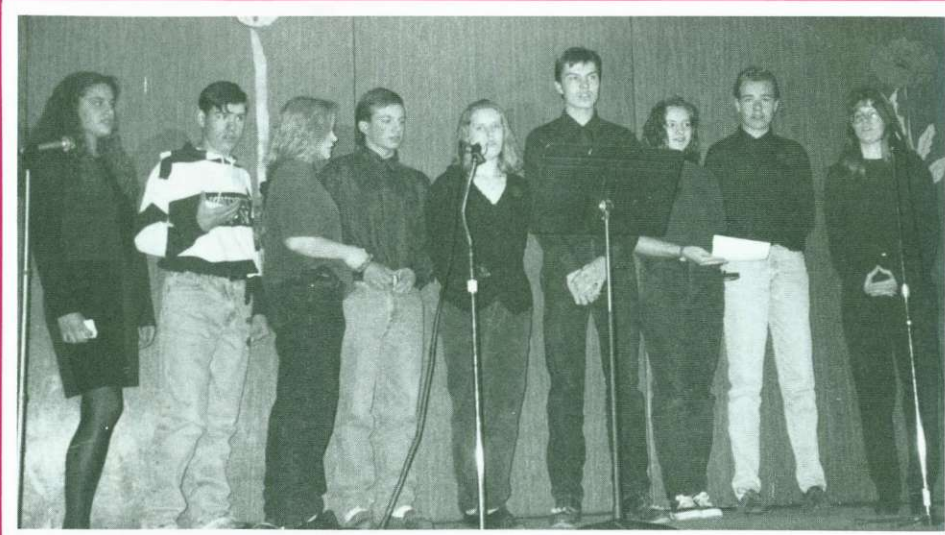

November 10, 1993

This year the F.G. Miller Remembrance Day Ceremony was presented by the Grade 11's on November 10th, 1993. Becky Matthews and Renee Anderson directed the program. The program consisted of singing, poetry, and a sound collage. Tom Rae was the master of the ceremonies and there was a traditional two minutes of silence. All performers wore red and black. The gym was decorated with poppies and crosses.

The songs in the program were "One Tin Soldier" by the Teen Choir, Students' Union, and some of the grade 11 students. "End of Story" was an original song performed by Travis Pankiw. Travis also sang with Jamie Ballas "Blowing in The Wind".

Some of the grade 11s read "In Flanders Fields", Margaret McGregor, Tammy Zacharuk, and Melanie Ference read a poem called "In Remembrance". Melissa Poulin and Renee Anderson read a poem they had composed in English class. All in all, it was a very moving program.

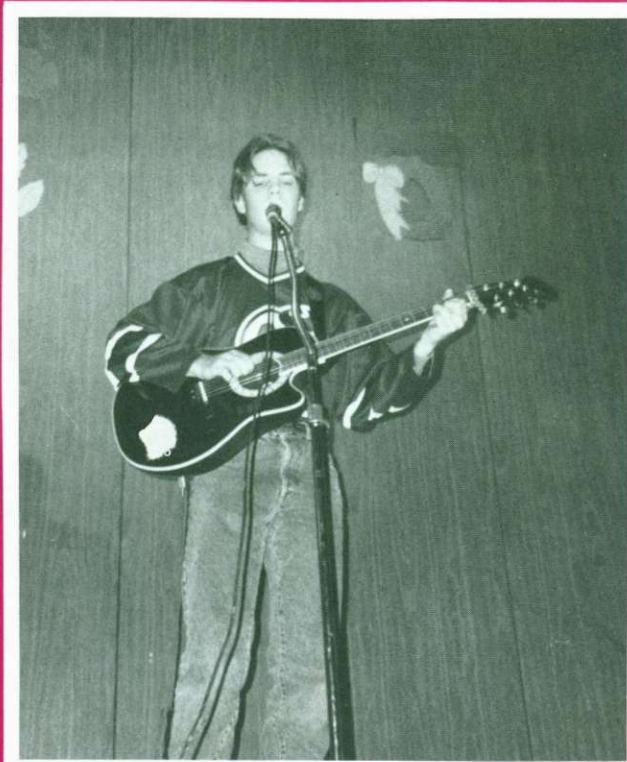

In conjunction with the Remembrance Day the following people were Legion Poppy Contest winners:

On October 29, 1993, the F. G. Miller Junior High celebrated Halloween by dressing up and participating in special activities and contests during the afternoon. Some of the activities were yam decorating, mummy wrapping, and a bubble blowing competition. The senior high was allowed to dress up, but did not participate in the activities. Miss Fadi, our resident gypsy fortune teller and her wicked witch assistant, Ms. Huber, read palms. Through and through it was pure fun for everyone from the hippies to the witches and especially the cartoon characters.

Junior Boys County Cup Champs!

VOLLEYBALL SEASON HIGHLIGHTS

Our junior boys, county cup champions (upper right) coached by Twila Rainboth and Tanya McLaughlin were the first in F. G. Miller history to lead in their league all year and to win the top spot too! They won, defeating Frog Lake. The team received medals in honor of their achievement. The junior girls (op.pg. upper left) were coached by Ms. Fadi. The girls made it to the zone tournament, but lost in the semi-final match. They also attended two tournaments (Racette and Bonnyville) and had loads of fun throughout the season. This year saw the introduction of the grade 7 teams (op.pg. center) coached by Mr. Hawkins. They had a good season training for their future positions on the regular teams. A recreational team that was coached by Mrs. Bintz was also a first.

On the senior scene, our rowdy senior boys (op.pg. lower left) were coached by Rene Gascon. They attended a few tournaments and ended fifth in their league. The senior girls (below) were busy fundraising with a peroghy supper that went extremely well. They attended tournaments in Notre Dame and Vermilion and had a 50/50 average for the season.

This year's executive were in constant motion from the very beginning. The year started with the elections held on September 17, 1993. From there on they organized pep rallies, including the first junior high organized skating pep rally at the arena and the first annual snowmobile rally organized by the senior high (P.S. Thanks parents for your help and support!). This year the S.U. purchased a memory update for the library computer and donated \$200 toward networking the library computer to the computer lab. This year also saw the implementation of computerized accounting to the S.U. bookkeeping. Jay Yerama set up the Quicken program and Mark Woytkiw took over the job when Jay moved away. It really was a good year filled with dances, rallies, and activity days. Special thanks to all those who helped keep the **S.U. bodies in motion** in any way in the past year.

15TH BRUNCH FOR CRUSADERS

Teachers dish it out!! *Merry Christmas!* December 23, 1993

There's your darn song and dance. Now can I have dessert... PLEASE!!

I, the Mistletoe Bandit have struck again. Ha Ha!

Ahh, yes.....she will be MINE!

Hey, Hey...I think she's comin' over...oooh

A scene from the Christmas Dance...what a night!

NEWSFLASH!!
Students awed Coach Danyluk seen at the Christmas Brunch *without* his famous trademark hat!!!!

Once again the F.G. Miller Jr./Sr. High School had a Christmas Brunch. This was the 15th annual Christmas Brunch prepared by the teachers for the students. There was nothing that was really different from 15 years ago, maybe the food is little bit better.

Some of the items on this year's menu was chicken legs, ravioli, hash browns, and for dessert students and the guests had strawberries and ice cream. For salads there were seafood and coleslaw.

The greatest thing about this is that the staff of F.G. Miller paid for the food from their own pockets !!!!!!!!!!!!!!! THANKS!!!!!!

CRUSADING TOWARD EXCELLENCE

May 1994 *Crusader Edition* Crusader Teacher Honored

Crusader Teacher Receives Excellence in Teaching Award—

In the late fall of 1993 parents, teachers, and students combined forces to nominate Mrs. Cheri Lindquist for the Excellence in Teaching award. A nomination form was forwarded to the selection committee with letters written by Mrs. Diane Anderson, Mr. Jim Hawkins, Mrs. Gwen Werstiuk, Mrs. Carol Kadutski, Mr. Ted Cabaj, and Miss Candace Ference. Approximately 400 applications were received and Mrs. Lindquist's application made the 125 finalists and went on to become one of the 20 award winners. She received her award on May 7, 1994 in Edmonton.

Mrs. Lindquist has been teaching for 9 years. She taught her first year in Elk Point as Miss Cheri Tokariuk in 1979-80 as a home economics teacher. In that first year she was involved in the production of the yearbook, and the formation of a cheerleading squad. She moved on to teach in Stettler for three years and St.

Albert for one and a half years ending in 1985 only to return to our school as Mrs. Cheri Lindquist in 1989. Mrs. Lindquist is now job sharing with Mrs. Gwen Werstiuk in our home economics department. Mrs. Lindquist's specialty is in the clothing and textiles area.

Mrs. Lindquist has been actively involved with the Class of ceremonies (this will be her fourth year as advisor). In the past few years she has helped Mr. Hellquist with the senior high Students' Union and has advised the junior high Students' Union this year. A youth group was formed last year in which Mrs. Lindquist played an integral part. She also belongs to the Spirit Committee in the school. Mrs. Lindquist has organized pep rallies and activity days for the students including the first skating pep rally at the arena. Other organizations and activities Mrs. Lindquist has been actively involved in range from the P.T.A., past president of the Home Ec. Association, 4-H leader, fair board convenor of the sewing section,

school social committee, and time tabling committee. She is also very active in the clubs and organizations in which her children belong.

Mrs. Lindquist lives 4 miles from Elk Point with her husband, Jim, and her children, Kirsty, Travis, Brett, and is due to deliver her fourth child in July. She enjoys all forms of crafts, reading, and being involved in activities with her children and husband. Even with her extremely hectic schedule, she finds time to talk with and encourage students at all grade levels and has been a shining example of the teaching profession. The students and staff at the F. G. Miller High School thank you for all the extras - big and small - that have helped you obtain your Excellence in Teaching Award.

Excellence In Teaching Award Winner

THE THREE RETIREES

Congratulations on your retirement from all of us.

109 COMBINED TEACHING YEARS

September 1993 - June 1994
Their last teaching year

The end of the 93/94 school year marks the end of an era in three of our teachers lives. Mr. Albert Boratyne, Mr. Steve Krankowsky, and Mr. Kaz Lazicki have all decided to move on to bigger and better things, leaving us with fond memories of the years they have dedicated to the F. G. Miller High School.

The Wapiti staff, fellow teachers, and the entire student body would like to take this opportunity send our best wishes with you down the new paths you have taken. This page is dedicated to the three of you for your devotion to the multitude of students that have passed through your classrooms throughout the years.

Mr. Alberta Boratyne is so dedicated to the Crusaders that he's never worked at another school in his entire career which spans from 1961-1994. He received his teaching degree at the University of Alberta with a Physical Education major and French minor. Throughout his career he has taught Phys. Ed., French, Health, Science (Jr.), Social 20, and Math. Likewise he has coached a variety of sports (basketball, fastball, badminton, and volleyball) and has introduced countless students to the game of thought—chess.

When asked about what he was going to do upon retirement he said (and we quote) "I want to find someone who has nothing to do and I want to help him!" Other than that he plans to full-time farm and do some travelling on the side. He is presently a very active member of the Elks and has held office at the Local, District and National Levels.

Mr. Steve Krankowsky has been teaching in the County of St. Paul for 29 years. His first teaching assignment took him to Myram to teach grade 2 & 3 (1958-59), Willingdon (1959-60), Derwent (1960-65), Ashmont Secondary (1965-85) before coming to F. G. Miller to teach his remaining years. He received his teaching degree at the University of Alberta majoring in Social and minoring in Mathematics. Throughout the years he has taught mathematics, social studies, political science, economics,

sociology, psychology, consumer education and health. Mr. Krankowsky was active in sports, coaching volleyball, fastball, and track and field.

Mr. Krankowsky doesn't have any visions of grandeur for his retirement, but he does plan on catching up on fishing, smoking fish, practicing lawn darts, and spending more time with his wife and family.

Mr. Kaz Lazicki has taught here at the F. G. Miller High School from 1979-1994, and in the Junior High School (the former FCSS building) from 1957-79 where held the vice principal position for 21 years and was involved in many fundraising activities.

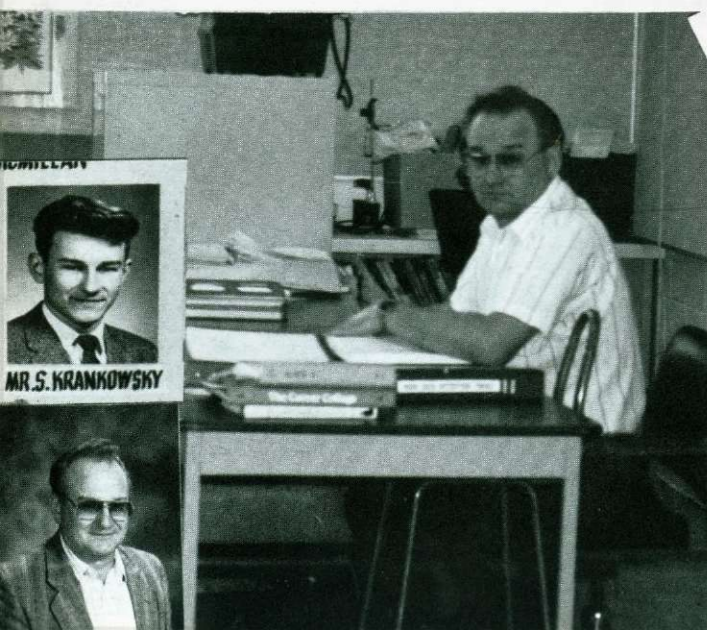

He received his Bachelor of Education and Bachelor of Arts at the University of Alberta majoring in History and Social Studies and minoring in Art. His previous teaching positions include his first year at Pine Crest School (approx. 10 miles NW of Bonnyville) in 1954 teaching grades 1-9, and teaching at Helnsburg (1954-1957) He taught all subject areas from the grade 1-9 level, social studies, art, and geography. Mr. Lazicki has also been involved in the Red Cross, Curtis Publishing, graduation decorating (full wall murals), and student art shows.

Mr. Lazicki has not really thought about what activities he'll be doing come June (other than spending time with his wife, children, and grandchildren), but would like to pass on this small bit of advice to the students and staff — "Don't wait until tomorrow to do what you can today."

Best of luck to our Three Retirees—your presence will be missed next year.

SPECIAL NOTE:

Did you know that Mr. Boratyne and Mr. Krankowsky went to school together starting from Grade 1 all the way through University??

Three Month Quebec/Alberta Exchange

1993-94 F. G. Miller - During this past school term we had three exchange students attend classes with us. Two came from Quebec (which were paired off with two of our students) and one from Germany. We hope all three will take back with them fond memories of our school and province. We hope you enjoyed being a Crusader.

Hi! I am Stefanie Schaefer (remember, remember) and I am from Germany. I stayed here for three months and it was a great and awesome time for me, but very short. I stayed with the Naber clan on their farm (thanks for all) and I really liked it.

I can't believe that bubblegum chewing is allowed in the class and that the local phone calls are free. I like the country and the people here and I had very much fun with the students and the school.

If there is anyone who can hold a pencil and would like to write me HERE IS MY ADDRESS:

This spring, I went to Quebec for 3 months to stay on the Berard's Dairy farm. The difference in culture was amazing. The school was really different. Everyone was allowed to smoke in the school and even the teachers swore. Everyone was super friendly and helpful though. The farm experience was interesting and I learned a lot from it. I had a lot of fun and made a lot of friends. My favorite part of the trip was our trip to Montreal. I will always remember Quebec, but I am glad to be back, and I'd like to thank Tammy Zacharuk for helping me by organizing folders for me on what I missed and all of my other friends for their help. Thanks!

Hi, I'm Sandra Garneau, I come from Ste-Catherine, a small town by Quebec City.

My first thought when I came here was, "Damn this country is flat!" But I realized later that it wasn't boring at all! And the school sooo smaaall. But it's also something else, something different and special. School spirit, friendly atmosphere, people who care about each other, that is something that is awesome. This is something that I learned to live with during my three months at F.G. Miller. That's also what made my trip so special.

I didn't learn only English, but also a different culture and kind of life. I want to thank everybody who helped me enjoy my trip and made it an unforgettable experience. Especially Renee and her family and all my friends. I had a really good time and have met awesome people!

Hey life is short, keep smiling!
Sandra Garneau

During three months I was with you at F.G. Miller, I liked to be with you and learned English. Sometimes, that wasn't easy, but I tried always to make my English better. You know, learning a new language and to live far from my family, that's difficult. Alberta and Quebec are very different. Music is the big difference. The country music is not the fashion in Quebec. It was fun to know a new culture and to meet a lot of new people. I liked stay with the Matthew's family. Also, work with Denise at the library was a good experience for me. I hope that you appreciated my presence in your school. Thank you, all of you. I will never forget you.

My experience in St. Catherine de la Jacques Cartier (a suburb of Quebec City), Quebec was the greatest. I stayed in Quebec for 3 months with Conrad, Ginette Mattieu and Sandra Gareau and attended school with almost 3 000 kids. The teachers were called by their first names and security guards malled the hallways. There were 4 long classes per day and an hour and forty minutes for lunch. Everyone could (or at least tried) to speak English and were very friendly. The styles were very preppy (skirts, vests) and there was absolutely no cowboys or country music! Some of my most enjoyable times included mountain climbing, night skiing, and gong to an Expo's ball game with my friends in Montreal. I'll never forget this experience and if I could, I'd go back right now!

Crusader Basketball Highlights - The junior high boys team had a great start, unfortunately due to a few students who were involved in a alcohol related incident the team was unable to participate in SPAA tournaments and disqualified themselves from a possible 3rd year sweep of the county banner. An unofficial team was formed by Mr. Krys with new players and they won at a junior high tournament in Vermillion and placed third in the F. G. Miller Invitational Tournament. Our junior girls team finish fourth overall in SPAA with Ray Danyluk returning as coach. They went all the way to the semi-finals, but lost out to Racette. They held a season ending party where ever member received recognition for their work on the team. The senior girls were coach by Curtis Porcina. They too made it to the semi-finals, but Regional proved to be the victor. The senior high boys lead by Ms. Huber had a great season. They came in second in both leagues and also placed second in a tournament at Kitscoty. They won the consolation in Rimby and placed third in zones. They lost by a mere 1 for provincial standings. One of their highlights was purchasing team uniforms and jacket. Congratulations to all the Crusader basketball teams for a great season.

CRUSADERS HOST SHOWCASE

Superintendent Cabaj awards County and Crusader Showcase Participants with certificates

March 30, 1994

On March 30, 1994, from 10 a.m. to 2 p.m. the County Public Speaking Showcase was held in the gymnasium. Students representing Mallaig, Ashmont, Heinsburg and our very own Crusaders were on hand to entertain parents, teachers, and guests with not only formal speeches, but poetry recitals, plays and even a song or two. Ms. Huber wonderful job hosting the event, and helped Mr. Cabaj hand out participation certificates to all those who performed. 2M Resources prepared the lunch for the students. The afternoon was a great success.

PRELUDE TO THE BIG DAY

Getting ready for the celebration

Crusader Edition

May 1994

The Class of '94 celebration started on Friday, May 20, 1994 with the entire class attending the dedication of an ornamental tree in the memory of Clayton Orr in Memorial Park (by the public library). Millie Orr, Clayton's mother was on hand to say a few words and to dedicate the tree on behalf of her family.

The ceremonies were held on Saturday at 2:00 p.m. Jaime Spence MC'd the event. The invocation was presented by Jennifer Jasinsky and Candace Ference. Three members of the class provided the entertainment for the afternoon. Aaron Aarbo sang two songs and Tammy Flett and Colleen Rupchan performed a duet. Class historians, Jeff Lypka and Heather Tremblay read the class history while Board member Mr. Buck and M.L.A. Paul Langevin presented scrolls and pins. There was a slide show of the class which was dedicated to the memory of Clayton Orr and Amelia Youngchief. The class valedictorian was Chris Kittlitz and the presidents were Twila Rainboth and Danny Hanson. Grad advisor, Mrs. Cheri Lindquist was also honored with a presentation from Mr. Langevin and Mr. Danyluk for her Excellence in Teaching Award. The guest speaker was former kindergarten teacher Mrs. Donna Dahmer.

The ceremonies were preceded by a trip to the Extended Care wing of the hospital. At 6:00 p.m. the banquet was held at the Elks Hall. The banquet MC was Trevor Van Maarion - a former classmate. Speeches and responses were presented by Kyle Lawrence, Coral Tremblay, Justin Conrad & Renee Anderson, Crystal Young, Mr. Lazicki, and Dorothea Naber. Mr. Ray Danyluk was the evening guest speaker and Dr. K. C. Miller gave a brief history on our namesake, his father, Dr. F. G. Miller. The grad presidents and Chris Kittlitz were presented with gifts and entertainment was provided by Travis Pankiw who sang an original song called Yesterday's Memories, and Moms Gwen Morris and Debbie Lawrence sang a duet in honor of the Class of '94.

For the first time in grad ceremony history a dance with beverages was held at the Elks Hall after the banquet. The hall was packed with guests and the festivities continued into the wee hours of the morning.

The yearbook staff wish to congratulate the Class of '94 on twelve years of schooling.

Music at F.G. Miller - These pages show a few samples of our musical expertise. These two jam packed nights of excellent entertainment contained a wide range of talent.

The facing page features talent from our school as well as the community. It was an evening performance held in December.

This page features performances by our Crusader bands, and was held on February 14, 1994 and also featured performances from individual students from F.G.

Special thanks to all the teachers and parents who showed support for the Crusaders.

Editor's Message

Another year has come and gone, and the 32nd edition of "The Wapiti" has gone through the presses.

We would like to thank everyone who helped us put the book together: Full time staff: Denise Amyotte (advisor), Rebekah Matthews (co-editor), and Christa Hammond and part-time staff: Margaret McGregor, Hollie Blize, Judy Kim, Andrew McGregor, and Nadia Wentworth. We would also like to thank Tom Rae, Jaylene Purdy and Rachel Peterson for their help as well. Special thanks to all the people who loaned us photos and to those of you who have supported the Wapiti Concession (next year the booth will be run by the basketball team—Good Luck!)

In case you were wondering, this year we tried to capture the "newspaper" format with our theme. The Wapiti Staff hopes you enjoy looking through this yearbook as much as we enjoyed "Putting it together"!

Spring Break '94

On March 27, 1994 Lisa Lesyk, Amy Hawkins, Jennifer Jasinsky, Lee Kadutski, Jonathan Kadutski, Darren Pilisko, and Robyn Moroziuk (along with 12 students from Bonnyville) departed Canada and landed in England to begin a two week crusade throughout Europe. They visited England, France, Switzerland, Italy, Austria, Germany, Holland, and Belgium (they only drove through it). Other than making new friendships with the Bonnyville students, some of the highlights of the trip were the Eiffel Tower, the Red Light district in Amsterdam was a real

eye opener, the Coliseum and ruins of Rome, the Hard Rock Cafe in London, and the subways in London, Paris and Italy had very interesting people roaming about. At the Vatican Darren stood ten feet away from the Pope! The Swiss Alps were simply beautiful and, had they been able to drink beer....it would have been cold and wonderful. Throughout the trip, the evening meals were awesome, the Germany pastries were delicious, but nothing could top those Italian men (so said the girls -the boys weren't that impressed.)

CRUSADER SUMMER SPORTS

R.C.M.P. Road Race Crusader Edition Crusader Fastball

The Annual R. C. M. P. Road Race (right and below) was run from St. Brides to St. Paul May 18, 1994. Again this year we took both junior and senior teams. Coaches Dalane Huber and Randall Kryz reported that the junior team #1 received a trophy and \$50 for placing 3rd, team #2 came in 12th. The #1 senior team also placed fairly high in 4th position.

The Senior Crusader Fastball teams (bottom left and above) played at the Whitney Lake Diamonds June 1, 1994. The girls played three games that day, defeating the Regional team 19-9 in the final game to bring home the banner - congratulations! This team didn't have an opportunity to practice a whole lot before the County meet, but that didn't really seem to have any bearing on their performance that day. (Missing from the photo: Jennifer Jasinsky, Sheana Kinneberg, Armina Kinjerski) The boys played two games that day. They won their first game and lost their second to Regional by only one run in the semi-final game. Junior Crusader Fastball (middle left and middle right) were off to the Whitney Ball Diamonds to participate in the County Cup meet on May 25, 1994. The coaches Kadutski and Malachowski reported the boys team came very close to beating Glen Avon and lost out to Heinsburg. The girls made a great showing with Racette beating them 10-9 in the semi-finals. Coach Charlene Anderson wished the season wasn't so short with only one week of practice. She did say they were an enthusiastic bunch and she wishes all of them luck next year.

Track and Field Crusader Edition Joni Matthews holds 77 medals

The Senior Crusader track and field team attended the County meet at the St. Paul Region May 24, 1994. The following is a list of Crusaders that placed first in their events: Christina Sereda - 1st 4x400 m, Charlene Anderson - 1st triple and long jump (she set new records), Tammy Zacharuk - 1st discus, Melanie Ference - 1st in 100 m and javelin, Billy Cardinal - 1st 3000 m, Grant Dunlop - 1st high jump. Congratulations to the other Crusaders that placed in the top four in their events. Zones were held in Fort MacMurray May 30, 1994. There were quite a few injuries that day, but Grant Dunlop placed 2nd in high jump and Charlene Anderson placed 4th in long jump. Christina Sereda (who was part of the County 4x400 m relay team) brought home a gold. Missing from photo (right): Melanie Ference, Denise Adkins, Lee Kadutski, Matt Veer, Grant Dunlop

The Junior Crusader track and field team (above missing from photo Tess Longmore) participated at the County meet in St. Paul, June 8, 1994, at the Regional High School. The Crusaders placed 4th overall that day. Congratulations to all those that placed 3rd or 4th in their events. Below is a list of participants that placed 1st or 2nd in their events: Jeff Dunlop - 2nd 1500 m, Tyson Hawryluk - 1st 200 m, Tyson Hawryluk, Shauna Morozluk, Brad Pankiw, Shaun Brown - 1st 4x400 m relay, Charles Sparklingeyes - 1st 200 m, 2nd in hurdles and high jump, Jordan Bassett - 1st 100 m, 2nd 55 m, Andrew Cardinal - 2nd javelin, Crystal Kulczycki - 1st 800 m, Crystal Kulczycki, Pelina Kinjerski, Amber Kopeck, Donna Pinder - 2nd 4x400 m open relay, Christine Penz - 2nd 800 m, Dennell Anderson - 1st triple jump, 2nd long jump, Raegan Croteau - 1st shot, Erica Nielsen - 1st 55 m and 1500 m, Jackie Penz - 1st high jump, Tess Longmore - 1st long jump, Toni Youngchief - 2nd javelin.

The F. G. Miller Student Body and the Wapiti Staff would like to extend our congratulations to Joni Matthews for her achievements in track and field over the past 3 years. Joni is very modest when it comes to her accomplishments in the North East Alberta Track Club (N.E.A.T.) and because she is moving at the end of the 1993/94 school year we have decided to give her the recognition she has truly deserved and never received here at F. G. Miller.

Joni, who is 14 now, has been competing for 3 years and as of June 1994 she has received a total of 77 medals (56 gold, 8 silver, and 13 bronze) in her events the 100 m, 200 m, 300 m, 400 m, triple jump and long jump at the Midget level. She has set provincial records in long jump (14 & under) at 5.28 m (her personal best), and triple jump (16 & under) at 10.84 m (her personal best is 11.01 m). At the 1993 Nationals she brought home a gold in long jump, bronze in 400 m, and bronze in the medley relay. Joni, who was nominated Alberta female midget Athlete of the year in 1993, has personal bests of 13 sec - 100 m, 26.4 sec - 200 m, 42.8 sec - 300 m, and 59.52 sec - 400 m. All of us here at F. G. Miller would like to congratulate you, Joni, you'll always be a Crusader - even when you reach the gold podium at the Olympics!
