Crusaders Remember

Remembrance Day Ceremonies 1997

The Remembrance Day Ceremonies were held on November 7, 1997. The Grade 11 English classes presented their program for the Legion Members and all of the staff and students of F. G. Miller High School. Pam Jabush started the ceremonies with the singing of Oh Canada. The Grade 11's took over by reciting poems that caused the audience to remember the men and women who served in the Arm Forces and fought for our freedom. As well, a small play, with sound effect and all, re-enacted a fight that took place during one of the World Wars. We were honored to listen to one of the Legion members who reinforced to us how important it is that we remember those who lost their lives while protecting our freedom. At 11:11am, a moment of silence was observed for those people that fought in the World Wars as well as to remember the families who sent their young men and women, never to see them return.

Crusader Christmas

Christmas Brunch 1997

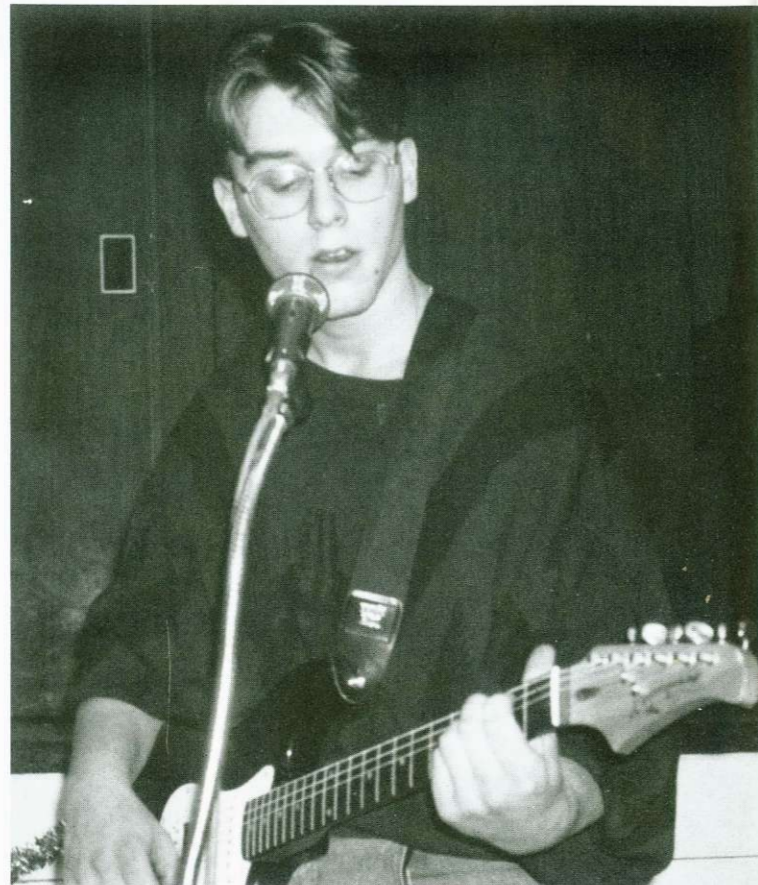

Friday, December 19, 1997 was the last of school for the staff and students of F. G. Miller before the Christmas Break. In the past, the students would come to school, in formal attire, and attend a Christmas Brunch that was prepared by the teachers.

This year, the Christmas Brunch had a different twist. The Class of '98 took over the preparation of the brunch. As the grad class was busy preparing the meal, F. G. Miller staff and students were enjoying a number of different activities that were arranged for their enjoyment in the morning. These activities included skating, making gingerbread houses, helping at the hospital with a birthday celebration, jamming in Mr. Bjorkman's room, playing board games and playing computer games.

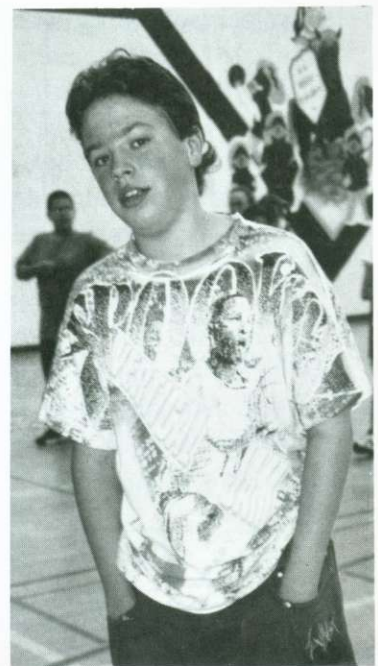

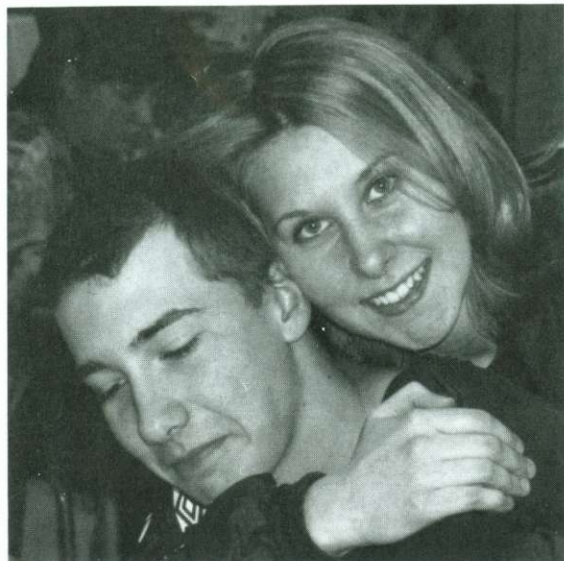

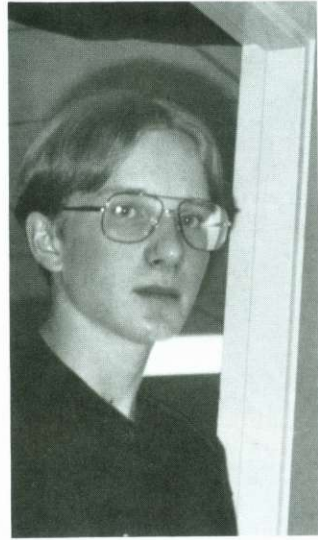

At 11:30am, brunch was served. It was attended by staff, students, bus drivers, school board trustees, members of the community and a very special appearance by Santa Claus himself who helped the French Club with their fundraising.

After the brunch, tables and chairs were cleared and we were entertained by many of the talented students that go to F. G. Miller. The afternoon was enjoyed by all who watched and for many first time performers, it was a scary, but very rewarding experience.

At 2:00pm, we said goodbye to each other for the last time in 1997 and everyone left to go home to enjoy a long awaited Christmas holiday with their families.

Principal's Message

This has been quite a year at F. G. Miller with the modernization of the 1961 part of the building. When we arrived back in school in September, we set up four classrooms in the gym, one in the Further Education building and one in arena. The old staffroom became shared office space. The students and staff were all very cooperative and flexible in construction, those which lasted until February.

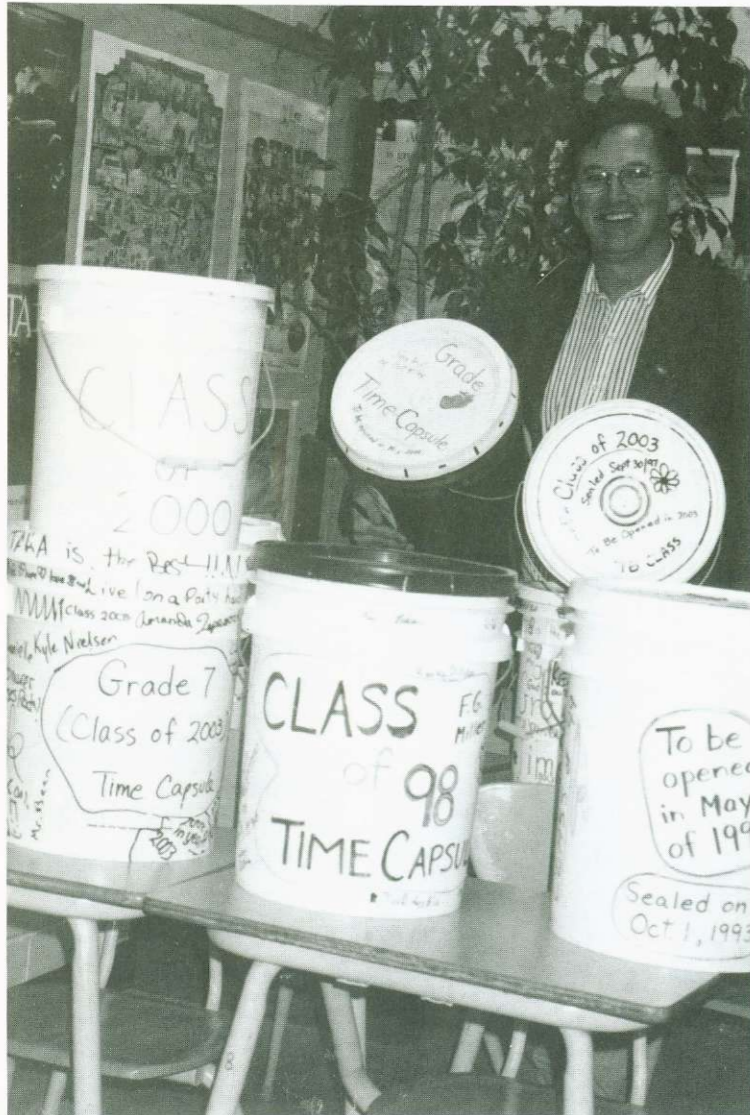

It was all worth it because we now have a wonderful student common area with nice new furniture, a library that greets us when we come into the school and a new office and staffroom space. The classrooms have been improved, as has the heating a ventilation system. A new and improved Home Economics room has been developed on the west side of the school and a high tech computer lab has replaced the old library.

June 5 was the day that we had the Grand Re-Opening of F. G. Miller. Paul Langevin, MLA for Lac La Biche-St. Paul, was on hand for the ceremony which was attended by School Board Trustees, former teachers, students, community members and current students. As part of the ceremony, the R. E. Beattie Library was re-dedicated.

It was very exciting for students and staff at F. G. Miller to be part of the marvelous transformation of our school in 1997/98.
