# Principal's Message

When we returned to classes in September this year, we were greeted by a fully modernized school with a newly painted and finished gym floor. It is wonderful to have a full year that does not include the dust and noise of construction.

Our school community is very fortunate to have a wonderful, friendly learning environment. A lot of people including trustees, school council members, students, school staff and central office staff have done a lot of work in making this situation a reality.

Now, with the modernization completed, it is the time to move forward focusing on academic achievement and improved results. Teachers are dedicating their efforts to assist students in reaching their goals. F. G. Miller students are looking forward to the opportunities that reaching these goals will create.

## The Sr High Students Union Executive Positions

- Mr. Pidluzny – Advisor
- Jennifer Kadutski – President
- Pam Jabush – Vice-President
- Crystal Smith – Treasurer
- Rhonda Hansen – Secretary
- Jana Boisvert – Social/Activity
- Mary Easthope – Social/Activity
- Corrine Lowe – Publicity

This year the Sr High Students Union has tried very hard to get the student body involved in many fun activities. We have attempted functions such as Halloween Activity Day, shared in the Christmas Brunch, sponsored Mesmer, the Hypnotist, sold chocolate hearts for AIDS research, and have invited guest speakers on various topics such as drinking and driving. We also hosted a few very enjoyable and profitable school dances throughout the year. The pop machine continued to be a worthwhile fund-raiser even though some students became a little hyper in class! All things considered, we basically had a fairly good 1998-99 school year..

## Message from the President

Another year has passed, and we continue to move forward — saying goodbye to yesterday and looking forward to the future. Over the past year of being Senior High Students' Union President, I would like to say **Thank You** to all the members of the executive for trying to make our school a better place to learn. Our goal this year was to try to make school fun for the students by fund-raising, Halloween Activity Day, Mesmer, the Hypnotist, and other activities. This year, we donated \$500.00 to Operation Christmas Child to help out the less fortunate children, and also financially supported numerous other school functions

Thank you for giving me the opportunity to be your President for this 1998-99 school term. It was a great learning experience.

To bring the ceremonies to a close, the Grade 11 students, stood silently, holding candles in Remembrance of all the brave soldiers as Ben Peterson played Taps on the trumpet. At the end of the one minute silence, students blew out the candles as a significant reminder of the end of World War 1.

# Murder Mystery—Murder in a Minor Key

Ms. Smereka once again brought us the Murder Mystery. This was an excellent opportunity for students to use their investigative and problem-solving skills in an educational and entertaining manner. Ms. Smereka wishes to thank the many dedicated people who made this Science Alberta project possible.

It looks like these three boys had fun!

Melissa and Tessa help run the stations for the mystery!

Very deep in thought...

# F. G. Miller Floor Hockey

Here we have a picture of our very competitive floor hockey league, with a game between the “Flip Mode Squad” led by Jordan Bassett and the “Wolf Pack” led by Andrew Cardinal. Flip Mode’s team consists of Kent Bjornstad, Tim Hudy, and Jonathan Yake. The Wolf Pack consists of Trevor and Andrew Cardinal, Dennis Cardinal and Travis Hymanyk.

Here are this year’s floor hockey champions with their trophy.

Our students are very competitive, not only against other schools in the surrounding area, but also within the school during intra-murals. Here at F. G. Miller we like to have a fun environment while working hard to achieve our goals. This year “Bone’s Express” came out of the finals victorious, taking the cup. It was a grueling battle but they swept “Flip Mode Squad” two games to nothing. Great season boys!

# Legal Studies 'Mock Trial'

On, Monday, August 11th, 1997 Jerry Seinfeld was sitting in *Coffee-We Have It* with his friends drinking coffee. Kramer entered and grabbed Jerry by the shoulder. Jerry reacted by swinging around, arm first. The coffee spilled out of the mug onto Kramer's lower arm, side and leg. Jerry Seinfeld was charged with assault causing bodily harm. To prove that Jerry Seinfeld was not guilty, our lawyers would also have to prove that Jerry didn't intend to hurt Kramer. Our lawyers did the best they could to prove that Jerry was not guilty, and won. There were nine jury members in total, four from our school and five from St. Paul Regional. Jerry was found not guilty by a five to four vote.

The Law 20, 30 (Legal Studies) classes worked every hard to put this mock trial together and win. Thank you very much Mr. Steinwand.
