# F. G. Miller Jr/Sr High Students' Union 2000

**Keeping Good Care of the Cash!**  
Pictured below are Tanya Pankiw, Treasurer and Michelle Leckie, Secretary, up to their necks in financial and other bookkeeping matters.

A students' union should endeavor to provide, through its actions and leadership, entertaining activities which potentially involve the entire student body, a positive learning environment, and a sense of vision towards the global community within the norms established by the policies of the school. This year's executives in many ways, did strive to achieve such goals. Even though these leaders did their best to make life at F. G. Miller better, the general student body also had to get involved in the various activities initiated by them. Carlen Mutch, Michelle Leckie, Tanya Pankiw and Joanne DeMoissac will be attending a leadership seminar in Edmonton accompanied by Ms. Raquel Germaine where they will gain even more expertise in fulfilling the roles of the Students' Union.

# Making 'Wapiti 2000' a Reality...

Yearbook production can be a long, arduous and painstaking operation if carried out by a small staff of four. Each one must sacrifice a great deal more in terms of time, frustration, confusion, learning and other stresses that a larger staff might not have encountered. Nonetheless, upon completion of such a monumental task, there hopefully will be greater satisfaction and pride, shared by these few. Our production met with many unforeseen difficulties. First, there were the problems of learning to use a new fully digital publishing approach. Then came the communication problems encountered with our printers. Later, we discovered, much too late, that our digital camera was somewhat inadequate in terms of its basic resolution and would not produce crisp, clear photos. The problem of pre-publication sales not reaching an expected goal also raised concerns with final production costs and yearbook pricing. A reliable and committed photographer could not be found until in the late stages of production. Even some of the assistant publishers abandoned the project during the last few weeks of school. But even with all these calamities, I personally hope and feel that this yearbook will more than fulfill everyone's needs and expectations. **Advisor, Mr. Pidluzny**

The main staff, included Mr. Pidluzny, Christina Dearden, Michelle Friesen and Mr. Peterson. We thank all others who pitched in.

Michelle was involved in most every aspect of this yearbook publication, especially picture layout.

## Presidents' Messages

Another great year has passed by and many more are to come. As Junior High Students' Union President, I would like to thank all the executive members for helping out to make everything work and also the general student body and staff for participating and getting involved. The fund-raising for the Above the Limit prizes was a huge success.

With the new Millennium came several changes, one being the new Students' Union format with Junior and Senior High students under one executive. So as your last Junior High President for the past Millennium, I wish the new executive the very best. **Kirsty Lindquist.**

The objective of a Students' Union is to represent the students and to make decisions which are beneficial to the student body as a whole.

The goal of this year's executive was to bring in outside groups and presentations into our school and get all accounts out of debt. We also wanted to use the money to benefit all students and not just certain interest groups. I feel that we have been successful as now only a few groups are in debt, and we have brought in interesting speakers and worthwhile presenters that were enjoyed by everyone.

I would like to thank all the students of F. G. Miller for the support over the past year. Without the enthusiasm and participation of the student body, the executive would be powerless. I want to thank everyone on the executive as it really was a group working together for a single goal rather than individuals working for themselves.

Best wishes for the future to all of you! Take pride in our school for all your years to come.  
**Carlen Mutch**

Mr. Pidluzny did all the electronic publishing aspects of the Wapiti as we could only afford one license of Pagemaker 6.5.

Christina did caption and Class of 2000 write-ups, chose pictures for the layouts, and photography.

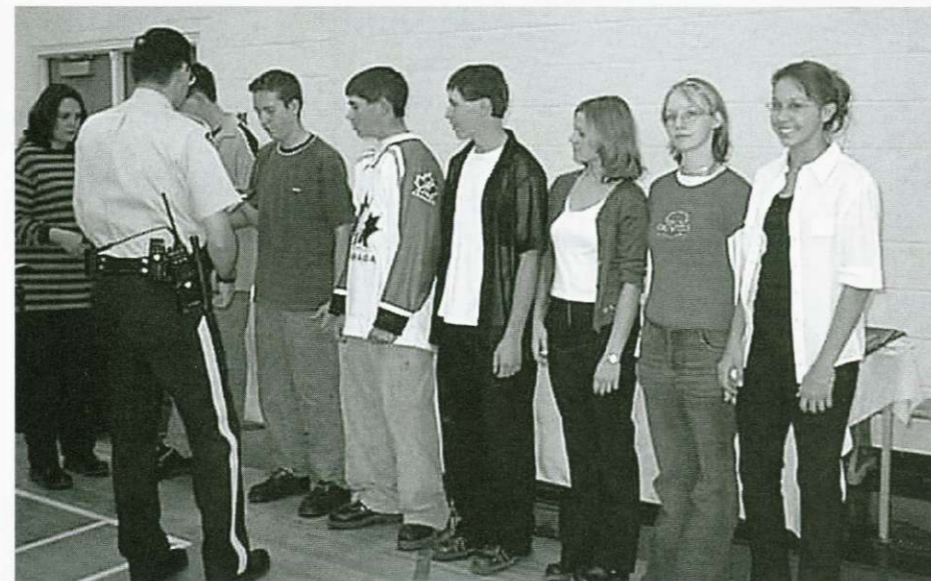

Mr. Peterson donated his time and expensive camera while he took numerous pictures around the school. He was very instrumental in providing information about the sports teams.

**Organizer Mrs. Rudolf**  
Mrs. Rudolf and her Grade 11 class did an outstanding job in putting together a ceremony to remember those who served in this country's armed forces in two World Wars, the Korean war and 45 years of peacekeeping.

Two columns of young ladies laid flowers around a flag-draped coffin during the recitation of "The Green Fields of France" and were joined by an equal number of young men in the lighting of candles to accompany the words of "In Flanders Fields".

Montreal Canadiens star Sheldon Souray poses with some of our Grade 10 class during his greatly appreciated visit to F. G. Miller. Sheldon originates from Fishing Lake which had hosted a visit of the Stanley Cup just days before this visit.

"Hey Melvin! I don't need another hole in my head," complains Carson. Chris Ockerman patiently waits his turn in the background. "I'd rather have a bottle in front of me than a frontal labotomy!" he mumbles.

# Operation Christmas Child

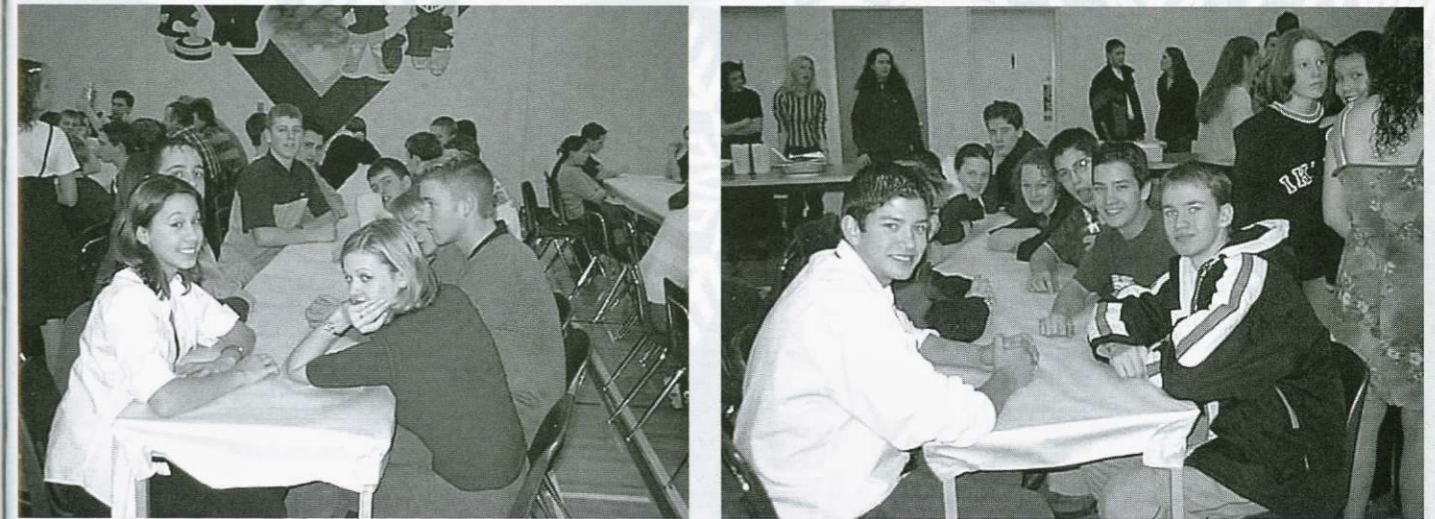

Here are the many students and staff who made Operation Christmas Child a success again this year. Of special note are Courtney Maksymec who did everything from decorating the library Christmas tree and putting up other decorations to making boxes and helping sell the program. Mrs. Modin also helped coordinate the program. Tamara Rainboth sorted the boxes. Preston Krankowsky, Tracy Carson and the Grade 10 Phys. Ed class helped with the move.

This is the fourth year where Crusaders filled shoe boxes with Christmas gifts to send to children in Central American countries. Ninety-one school boxes, 1 teacher box, and 12 community boxes were prepared and taken to the Baptist Church, our community OCC collection depot. The students' union donated the \$5.00 shipping fee per box. Mr. O'Neill picked up the boxes in Edmonton. John Sparks, Tammy Zarowny, Selena Davie, Cassie Nelson, Michelle Zapesocki, Courtney Maksymec and Jon Yake built the boxes ready for filling.

Fiddler on the Roof and Other Fun Things.

Mr. Kryz (far left) played the part of Tevye and Mr. Pidluzny (center) played the Inkeeper Mordcha in the Elk Point Choir and Friends Theatre Night's production of *Fiddler on the Roof*.

Romy Rohner (Tzeitel) and Michelle Friesen (Chava), daughters of Tevye wonder about their futures while they sing 'Matchmaker, Matchmaker...'

The Grade 8-9 Band performed several numbers for the arrival of the French exchange students from Quebec. Below, several members of the Ukrainian Dance Club of Elk Point dazzle their audience of F. G. Miller students and their guests from down east.

# Sr. Boys

Season statistics; 10 wins, 11 losses.

The Senior Crusaders participated in the highly competitive Lakeland Basketball League where they finished a respectable 4th place with a 3 and 5 record. The overall record is misleading due to the fact that our boys competed exclusively against larger schools this year.

Team members as pictured below are front; Levi May, Mike Fry, Chad West, Spencer Easthope, Ben Peterson and coach Daniel Peterson. At the back are Casper Zarowny, Brian Poitras, Mat Zarowny, Zack Duguid, Cory Henderson, Kelly Burke, coach. The overall season play was enjoyable and competitive, but one highlight worth mentioning occurred in December when our boys defeated Edwin Parr from Athabasca, a provincially rated 3A school.

The senior boys' team travelled in style to a game in Vermilion with their coach Mr. Peterson, a just reward for a hard and well-played season!

# Jr. Girls

Bronze and Silver Winners.

The Junior Girls' team had a fine year. In tournament competition, they won a Silver at Ashmont, and a Bronze at Vilna. They were also Tier II Champions. Their coach, Ms. Germain, was very pleased and proud of their accomplishments. The girls were great to work with.

The girls won 48 to 0 in their final game against Frog Lake to clinch the Tier II Championships.

The squad consists of coach Ms. Germain, and left to right, Michelle Marcoux, Aleasha Lehr, Tara Campbell, Amy Millar, Krisean Sakowski, Kirsty Lindquist, Jasmine Brown, Meaghan Lehr, Assistant Coach, Robin Schade, Sarah Goulet, Danielle Schnurer and Dara-Lanne Greening.

After one of their many victories, Kirsty and Jasmine celebrate. The two 'wings' played very hard all season long.

# Jr. Boys

Silver Medal Winners at Ashmont Tournament.

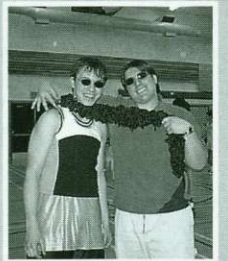

The Junior Boys' team also had a great year in 1999-2000. Not only did they place Fourth in the County Cup finals, but they won Silver at Ashmont, in tournament play. Coach Mike Fry and assistant Tyler Hebblethwaite enjoyed working with this group of enthusiastic and talented sportsmen.

The great huddle results in some very successful offensive strategies.

The team proudly displays its medals. From left to right are Jonathan Buryn, Tyrell Bintz, Garrett Poulin, Andrew Priddle and Kyle Kurek. Front; Devon Culp, Travis Lindquist, Colin Ference and Aaron West. The Coach is Mike Fry.

Kyle Kurek and Mike Fry let their fun side show through as they 'elegantly' pose for the camera.

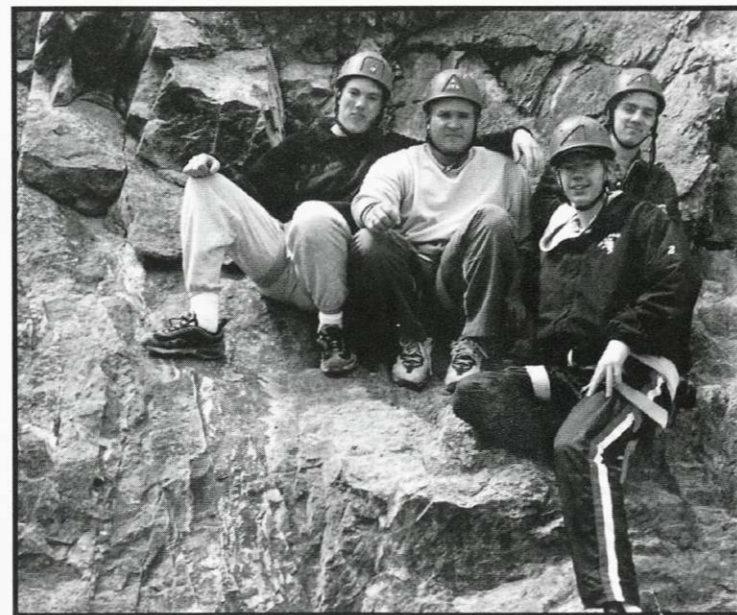

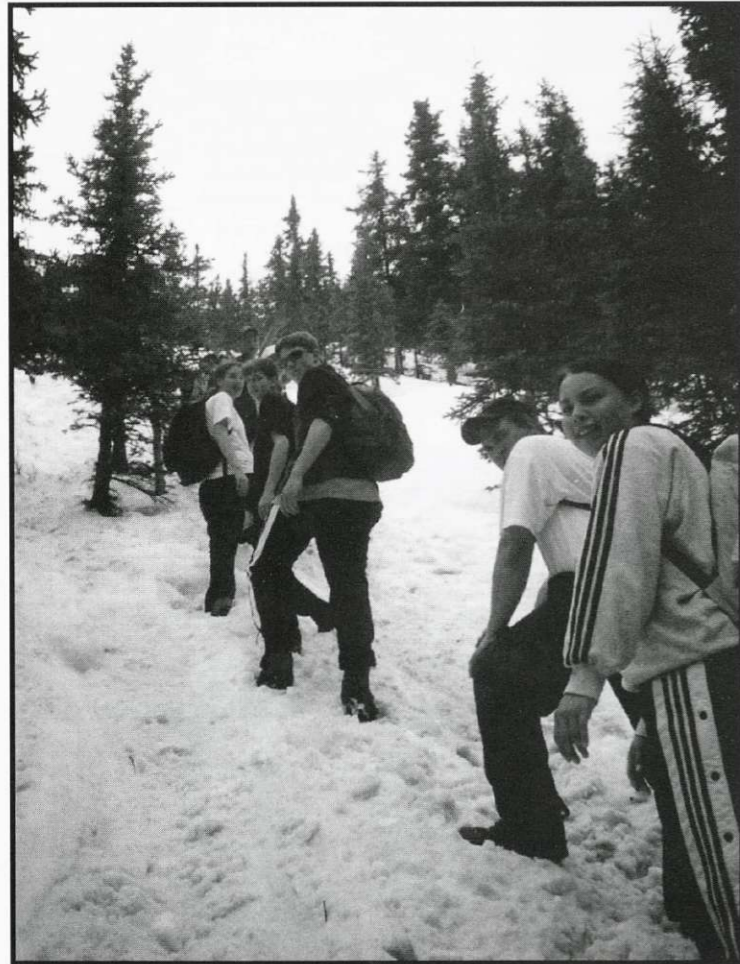

## Adventurous Crusaders

The Bonnyville/Cold Lake PARTY (Prevent Alcohol & Risk related Trauma in Youth) program clearly illustrated facts about head and spinal cord injuries and trauma to Grade 9 students.

Students received hands-on experience in the ambulance with EMTs and in the ER with an Emergency Room nurse to see first hand the equipment and procedures used in pre-hospital and emergency trauma care. Local RCMP members presented explanations of their own experiences and of the law.

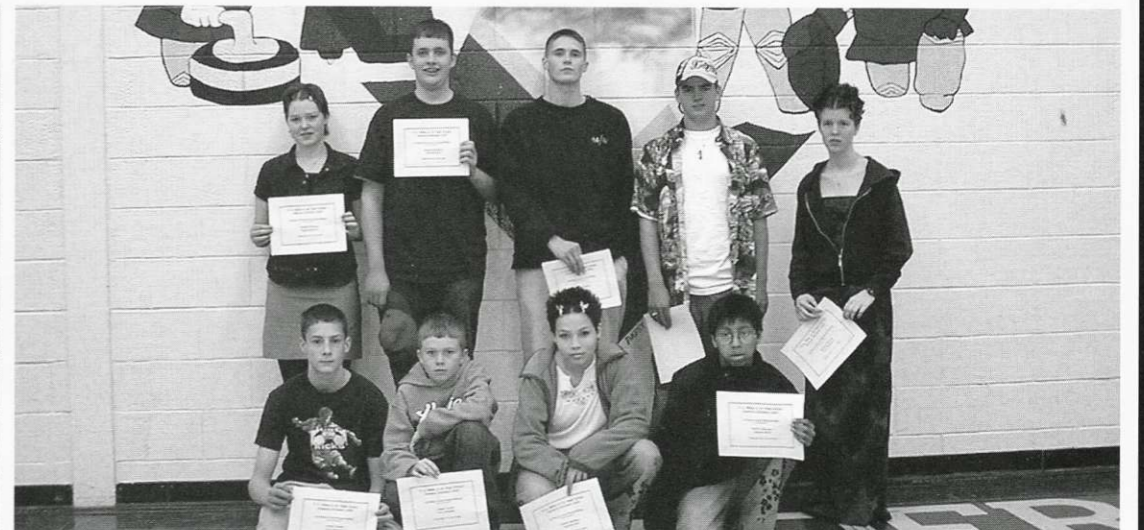

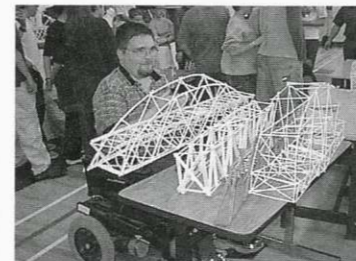

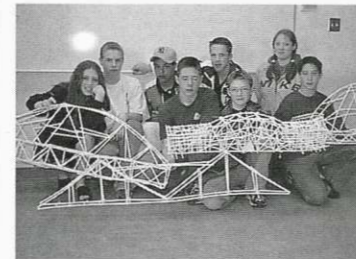

Grade 12 Crusaders travelled to the Center for Outdoor Education near Nixon, Tori Warawa, Dawn Nordegg to take up rock climbing, rappelling and then caving in Cadomin. The students were guided by a team of professional outdoor educators who really knew their stuff.

On the trip were organizer Terina Nixon, Tori Warawa, Dawn Lameman, Travis Brown, Darcy Stafford, Dustin Yaremkevich, James Purdy, Jon Yake and Mike Povaschuk with supervisors Mr. Hawkins and his wife, Sheila Thompson.

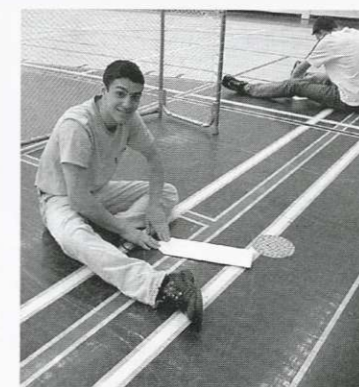

## F. G. Miller Jr/Sr High School's First Annual Science Olympics 2000

The competition winners were; **Junior Bridge Building**, Danielle Wruth and Janina Laboucane, First Place, while Jordan Cousins and Corry Bezpalko shared Second. **Intermediate** had Michael Linkevich and Matt Zarowny sharing First, and Brianne Greening and Tanya Blacklock sharing Second. In the **Senior Boat Building** competition, First Place Peter Danyluk's paper boat held 105 Toonies and a set of keys with a close Second taken by Ben Peterson whose craft held up the 105 Toonies minus the keys. All participants had a super time. Thank you to Mr. Boratynec, Mr. Bjorkman and all others who made it possible.

Carlen and Joanne prepare their paper boat.

The gleam of absolute victory intensifies in Mike's eyes.

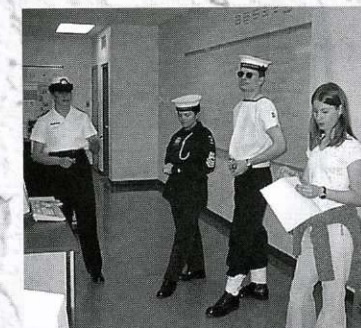

Loading on the Toonies.... the big buoyancy test is on!
