Events p 14

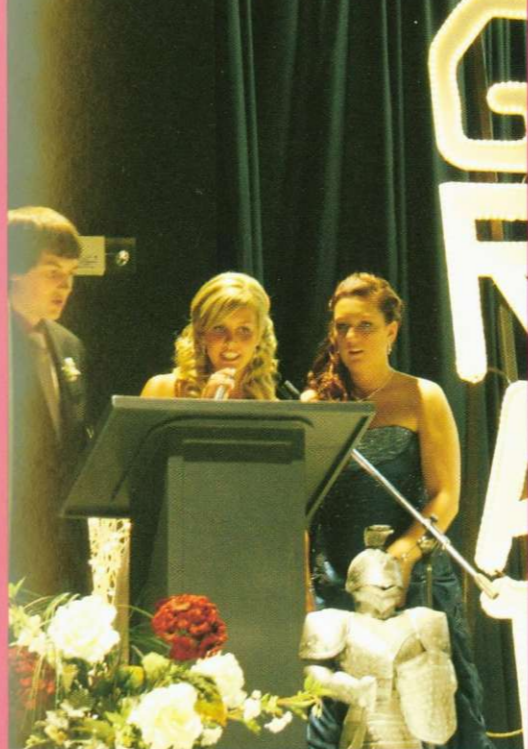

Relive the first day of school, all the times spent hanging out and having fun, Movember, dances, awards ceremonies, Hallowe'en, Remembrance Day, Christmas brunch, Sound Dragons, Wellness Day, as well as guest visits by Mitch Dorge of the Crash Test Dummies, Bill "the Bionic Turkey" Gordon (the inspiration for PUP), and First Nations' storytellers.

Portraits p 2

See every student from grades 7 - 11 and every staff member pictured and listed alphabetically.

Class of 2011 p 40

Revel in the evening of glamour and circumstance that concluded twelve years of formal education for the Class of 2011. Photos of the graduates, accompanied by their memories of school and advice for current students, are followed by cameos of the graduation event, held June 25, 2011 at the Allied Arts Centre.

Sports p 32

Recognize that an important aspect of a good education is physical education. Developing healthy bodies and building team skills are two goals of extra-curricular sports. From golf to curling to track and field, F.G. Miller athletes had opportunities to be physical all year long, thanks to many willing and able coaches and volunteers - as well as some worthy opponents.

Cherish F.G. Miller's "Wapiti" yearbook as a valuable historical document that preserves memories of the school *and* of the community. This is the first ever full colour printing of the "Wapiti," so to help offset the increased costs, and to secure their names in Elk Point's history, local businesses purchased advertising space.

Grade Eleven Up for Anything!

In The Spotlight

Many people work behind the scenes at our school. Pictured on the left, going clockwise are our school board rep Mr Darrell Younghans shaving Mr Bishop; Mrs Gloria Lecopoy, Ms Corinne Behr and Mrs Susan Porcina, who, along with Mr Hugh Fodchuk keep the school clean.

Here...and Gone

We're going to miss Mrs Gulayec (1), who has welcomed over a generation of students (and their records) through the front office.

Mrs Boratyne (2) will be at Elk Point Outreach School - within hailing distance. She'll be back and forth between EPOS and FGM, so we're not really saying good-bye, just "See you around."

Mrs Mulroy (3) has been a really good "sport" taking on a half time phys. ed position for the second semester. She also filled in for Mr Ung for a few weeks before Christmas.

Some new perspectives to music and art arrived with Mr Larmand (4) who is not only talented but also willing to try out anything to raise money for charities, from shaving his moustache to wearing a dress.

It was nice to welcome "Mama" Petruk (5) back after her maternity leave, and to hear students *parler français* again. Miss Breen enjoyed her time with us and often returned to substitute teach after giving Mrs Petruk back her classroom.

Ms Lilje (6) spent a dream semester roaming around Australia, learning some "Aussie" English to teach her classes in the fall.

Meanwhile, Mr Burke (7) returned from a year's leave to teach grade 9s every afternoon. (Half a day with grade 9s is more than enough!)

And our counsellor and PUP leader, Mrs Bower (8), full of dynamic ideas and positively exciting plans, has become a welcome member of the school community.

ATTENDS

Blake has the whole (ancient) world at his back.

Dress them up and take them out? Opa!

Mr Shankowski, Mr Casper, and Mrs Jenner escorted a group to Greece and Turkey at spring break. They cruised the islands and toured ancient monuments. They ate gourmet food and danced in night clubs. They swam in the sea and sunned on the sand. They haggled over prices and brought back unique souvenirs. Although there were no reports of beg bugs, many were bitten by the travel bug and plan to return to the Aegean Sea one day.

Sequins

Shiny, sparkly sequins become a major fashion trend when Zoe Kravitz and runway models are spotted wearing them on hats, dresses and tops.

Hats

Self-expression is always in fashion and the right hat makes it easy to add panache (and hide a bad hair day). All you need is a cute fedora or a jaunty newsboy cap.

Military Jacket

There's nothing olive drab about this trend. Military jackets are snappy, sleek and chic — a far cry from the oversized Army surplus look of yesteryear.

Energy Drinks

Energy drinks are the beverage of choice among sleep-deprived students, despite concerns that they contain unhealthy levels of sugar and caffeine.

Pillow Pets

Now it's a stuffed animal. And now it's a pillow. Puffy, popular PillowPets™ may be the snuggliest, softest trend of the year.

Dentists report that more and more teens are asking about teeth bleaching procedures, especially for photo-op occasions like graduation and other social events.

Long, statement necklaces are trend-right. Gossip girls look luxe with Tiffany-style trinkets. Layered, chunky, vintage baubles create an alt-rock, art school vibe.
